

SWEET OR SALTY... WE HAVE THE PACKAGE FOR YOU!

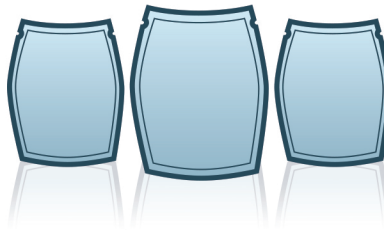

MANUFACTURING QUALITY FLEXIBLE PACKAGING FOR INDUSTRY LEADERS

We manufacture an assortment of different flexible packages for snack foods, candy, produce, freezer items, bakery items and shrink sleeves for bottles among other innovative flexible packaging for industry leaders.

PACKAGING DESIGN

Sixto Pack's outstanding design team can produce eye catching packaging that is consistent with your company's branding. We can also provide prototypes and assist in packaging engineering, shelf life test, and laboratory analysis.

PACKAGE MANUFACTURING

At SIXTO PACK we print, laminate and convert in a variety of substrates including PET, MET PET, foil, paper, nylon, BOPP, and EVOH among others.

INNO-LOK® ROLLSTOCK

Sixto Pack can add value to your package with patented zippered InnoLock roll stock. Pull tab and Top Zip are both available in a variety of substrates.

STAND UP ZIPPERED POUCH

SIXTO PACK manufactures tamper-proof easy tear sealed bags. Center seal, corner seal, quad seal, and stand-up pouches available.

SHRINK SLEEVES

SIXTO PACK manufacturers shrink sleeve labels for an array of containers and multi packs. We offer both long run and short digital runs & prototypes.

ROLLSTOCK

For decades SIXTO PACK has specialized in customized high barrier film structures for a variety of form-fill-seal machines.
